

Appendix D Acronyms

*...shaping the future of health care
to prevent, control, and cure diseases.*

AACR	American Association of Cancer Research
ASBREM	Armed Services Biomedical Research Evaluation and Management
B	billion
BAN	bilateral acoustic neurofibromatosis
BCRP	Breast Cancer Research Program
BESCT	Biology, Education, Screening, Chemoprevention, and Treatment
C-CTR	Collaborative-Clinical Translational Research
CDA	Career Development Awards
CDMRP	Congressionally Directed Medical Research Programs
CJD	Creutzfeldt-Jacob disease
CML	chronic myelogenous leukemia
CMLRP	Chronic Myelogenous Luekemia Research Program
CPDR	Center for Prostate Disease Research
CSO	Common Scientific Outline
DHEA	dehydroepiandrosterone
DOD	Department of Defense
EGS	Electronic Grants System
FY	fiscal year
GOR	Grants Officer Representative
HBCU/MIs	Historically Black Colleges and Universities/Minority Institutions
ICRP	International Cancer Research Program
IFISH	interphase fluorescent in situ hybridization
IOM	Institute of Medicine
IP	Integration Panel
JPRP	Joint Programmatic Review Panel
M	million
MAPK	mitogen-activated protein kinase
MD	muscular dystrophy

MDACC	M.D. Anderson Cancer Center
MMPs	matrix metalloproteinases
mtDNA	mitochondrial DNA
NAS	National Academy of Sciences
NBCC	National Breast Cancer Coalition
NCI	National Cancer Institute
NF	neurofibromatosis
NFRP	Neurofibromatosis Research Program
NPRP	National Prion Research Program
OCRP	Ovarian Cancer Research Program
OLC	Oak Leaf Cluster
PC	prostate cancer
PCRP	Prostate Cancer Research Program
PI	Principal Investigator
PRMRP	Peer Reviewed Medical Research Program
PSMA	prostate-specific membrane antigen
RAA	Research Acquisition Activity
RCQ	Regulatory Compliance and Quality
SBIR	Small Business Innovation Research
SOW	Statement of Work
STTR	Small Business Technology Transfer
SPP	Special Populations Program
TGF- β	transforming growth factor- β
TSCR	Tuberous Sclerosis Complex Research Program
TSEs	transmissible spongiform encephalopathies
UCLA	University of California, Los Angeles
UPA	urokinase-type plasminogen activator
USAMRMC	U.S. Army Medical Research and Materiel Command
USC	University of Southern California
VA	Veterans Affairs
WRAMC	Walter Reed Army Medical Center
